FEATURES AND FUNCTIONALITY

13. Mobile-friendly responsive design.
14. Contact form for direct communication.
15. Option to add project images, links, and certificates.

RESULTS AND SCREENSHOTS

A screenshot of a mobile device displaying a personal portfolio website. The top half of the screen shows a dark header bar with a red notification badge. Below it is a white section featuring a circular profile picture of a woman with dark hair and a yellow top. A short bio text follows: "I am a student developer passionate about technology and design, with hands-on experience in building responsive and user-friendly web applications. I am eager to learn, grow, and contribute to innovative projects in the tech industry." The bottom half of the screen has a light pink background with the title "My Projects" in bold black font. Three pink rectangular boxes below it list "Project 1 Portfolio website.", "Project 2 Task manager app.", and "Project 3 Weather dashboard.". At the very bottom, there is a white footer bar with the text "Contact Me".

RESULTS AND SCREENSHOTS (cont.)

16. Portfolio successfully created with modern UI.
17. Screenshots show Home, Projects, and Contact pages working properly.

CONCLUSION

18. The project helps students present themselves professionally and improves their chances in placements and opportunities..
